Su Bong Zen Monastery

Clear Mind Meditation in the Midst of Our Hectic Life

A Fund Raising Event to Support

Su Bong Zen Monastery and the Spreading of Dharma

About this Event

Su Bong Zen Monastery was established in 1992 in Causeway Bay, which provides a peaceful refuge for city dwellers to practice Zen meditation regularly every week. At Gak Su Temple in Luk Wu, Lantau Island, retreats of a few days up to 3 months are held for people to put down their burden and attain their true selves in a tranquil and natural environment of forest and sea.

Su Bong Zen Monastery is now raising funds to upgrade conditions and better facilitate services in the two practicing locations. People can experience true rest and serenity from their hectic lives in Hong Kong, and through meditation, attain a clear mind with wisdom and compassion to help this world.
